Emergency and medical service

You must contact the Emergency Assistance Service in the event of an illness or accident which may lead to inpatient hospital treatment or before any arrangements are made for repatriation; or in the event of **curtailment** necessitating **your** early return **home**. The service operates 24 hours a day, 365 days a year for advice, assistance, making arrangements for hospital admission, repatriation (returning **you** to **your home area**) and authorisation of medical expenses. If this is not possible because the condition requires emergency treatment **you** or someone on **your** behalf must contact the Emergency Assistance Service as soon as possible.

Medical assistance abroad

The Emergency Assistance Service has the medical expertise, contacts and facilities to help should **you** be injured in an accident or fall ill. The Emergency Assistance Service will also arrange transport **home** when this is considered to be **medically necessary** or when **you** are told about the illness or death of a **close relative** or a **close business associate** at **home**.

Payment for medical treatment abroad

If **you** are admitted to a hospital/clinic while abroad, the Emergency Assistance Service will arrange for medical expenses, covered by the policy, to be paid direct to the hospital/clinic. To take advantage of this benefit someone must contact the Emergency Assistance Service for **you** as soon as possible. Private medical treatment is not covered unless authorised specifically by the Emergency Assistance Service.

For out-patient treatment, **you** should pay the hospital/clinic **yourself** and claim back medical expenses from **us** on **your** return to **your home area**. Beware of requests for **you** to sign for excessive treatment or charges. If **you** are in doubt, please call the Emergency Assistance Service for guidance.

Please note that **we** will only pay medical expenses deemed to be **usual, customary and reasonable**.

Contact the Emergency Assistance Service on telephone number: +44 (0)203 126 4042.

Reciprocal health agreements with other countries

EU, EEA or Switzerland

If **you** are travelling to countries within the European Union (EU), not including the EEA or Switzerland, **you** are strongly advised to obtain a Global Health Insurance Card (GHIC). **You** can apply for a GHIC either online at www.ghic.org.uk or by telephoning 0300 330 1350. This will entitle **you** to benefit from the health care arrangements which exist between countries within the EU.

If **we** agree to pay for a medical expense which has been reduced because **you** have used either a Global Health Insurance Card or private health insurance, **we** will not deduct the excess under Section B - Emergency Medical and other Expenses.

Australia

If **you** need medical treatment in Australia **you** must enrol with a local MEDICARE office. **You** do not need to enrol when **you** arrive, but **you** must do this after the first occasion **you** receive treatment. Inpatient and out-patient treatment at a public hospital will then be available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website on www.medicareaustralia.gov.au. or by emailing medicare@medicareaustralia.gov.au. Alternatively please call the Emergency Assistance Service for guidance.

If you are admitted to hospital...
